Half a Million Dollars Worth of OGDEN REAL ESTATE ON THE MARKET

For several years past I have been buying the most desirable residence property and additions of this city, buying at a spot cash price of non-residents and others who desired to sell; this property I have bought at a great sacrifice, at spot cash figures, I have thus secured several thousands of the most desirable building lots of Ogden.

During this time I have devoted nearly all of my time to the purchase of this property and have paid little attention to the selling of the same.

I have now moved my office to Number 364 Twenty-fourth street, being next door east of the Standard office, where I have fitted up and equipped the most modern real estate office in Ogden, and I shall now begin a campaign of selling.

This has been the most successful year I have ever had in the building and selling of houses in Ogden, our record for this year is fifty happy and contented families, who have bought and are living in our homes. I expect to continue the building and selling of homes on the installment plan, and have several thousand building lots located in all parts of the city, on which I will erect a home for any one who desires it, and sell the same on the installment plan as may be desired.

It shall be my aim to give every one who desires a home in Ogden an opportunity to secure the same.

I have ample means and am prepared to give almost any kind of terms on the property which I own, and am offering for sale, and shall for the next thirty days carry on an advertising campaign in the Standard; and it will be to your interest, if you desire a home in Ogden, to carefully read the bargains that I shall place on the market, as I have several thousand pieces distributed throughout the city which I am going to offer at ridiculously low prices, on terms which will interest any one who desires a home.

Ogden will double in population within the next seven years, and anything that is bought today at the price I offer will increase very rapidly in value.

The following are a few of the bargains I have to offer:

Fifty-Dollar Lot.

An elegant lot on Thirtieth street, nicely situated, and running back 150 feet to alley, only fifty dollars, one dollar cash and one dollar per week. I have several of these lots; they are a great buy and will make an elegant home.

Seventy-five-Dollar Lot.

This lot is located between 27th and 28th streets, is twenty-five by one hundred and thirty-five feet to alley, is situated near a number of residences that are being built at the present time, cost from five thousand to twelve thousand dollars each. I have several of these lots, and will sell them for seventy-five dollars per lot, two dollars cash and two dollars a week. These are elegant lots and are similar to those which are being sold nearby at from two to three hundred dollars per lot. All I ask is seventy-five dollars a lot, on easy terms.

One-Hundred-Dollar Lot.

An elegant lot in Nob Hill, fifty-five by one hundred and thirty-five feet to alley. This is an elegant corner lot, has several large trees on it, is located near some of the best residences in Nob Hill. Five dollars cash and five dollars every month until you get the deed.

An Ideal Home.

Located four blocks south of the Union depot, a brand new five-room cottage, with large, spacious rooms, finished in mission oak, fine imported paper, massive electric light fixtures, fine porcelain bath, stationary washstand, toilet hot and cold water connections, modern and up to date in every detail, large lot to alley. Located near a school, and a great car line in good neighborhood. This is the greatest snap in real estate offered in Ogden recently. Only \$2,200 on easy terms, low rate of interest.

A Modern Bungalow.

Located near the Sacred Heart academy, a brand new bungalow, with large, spacious rooms, finished in natural wood, fine imported paper, massive electric light fixtures, fine porcelain bath and other fixtures. Elegant screen porch in rear and large porch in front, cement finished basement, select neighborhood, near grade and high school. Only \$3,000. Easy terms, low rate of interest.

Fourteen-Hundred-Dollar Home.

A nice four-room cottage, with large pantry and closet, electric light and city water, large corner lot, located on the street car line, on the bench. This is a great snap at fourteen hundred dollars, one hundred dollars cash and fifteen dollars per month will buy this property.
